Everyday products: if a customer repays early, we base our charges on the outstanding loan balance. As long as their overpayments don't add up to 10% of the remaining balance per calendar year, we don't charge for them.

Flexible products: customers can make unlimited overpayments on Flexible products as long as they don't pay off the loan in full. If the full loan is repaid before the product matures, we base our charges on the original loan balance.

- You can switch your customer's previously selected product onto a new product from our current new business range as many times as needed prior to completion.
- For product transfers or new business submit the form held on the intermediary website.
