Mortgage Guarantee Scheme – Confirmation of no second property

The Virgin Money mortgage you are applying for may be eligible for the Government's mortgage guarantee scheme.

One of the criteria for the scheme is that the home you need the mortgage for is (or will be by the point of purchase) the only property that you own an interest in. We are required to obtain a statement from you to confirm this. **Please tick the statement that applies to you and sign below to confirm. You should tick only one box.**

- I/We are buying the property described above and do not currently have an interest in any other property.** None of the applicants have an interest (in whole or in part) in any property (wherever situated) other than the property described above.
- I/We are buying the property described above and also selling a property or interest in a property.** The intention is to sell the existing property/interest at the same time as (or before) buying the new property. From the point of purchase, none of the applicants will have an interest (in whole or in part) in any property (wherever situated) other than the property described above.
- I/We are remortgaging the property described above.** None of the applicants have an interest (in whole or in part) in any property (wherever situated) other than the property described above and applicants are not asking for any additional borrowing as part of this application.
- None of the above statements apply to me/us.** I/We have an interest in another property.
